

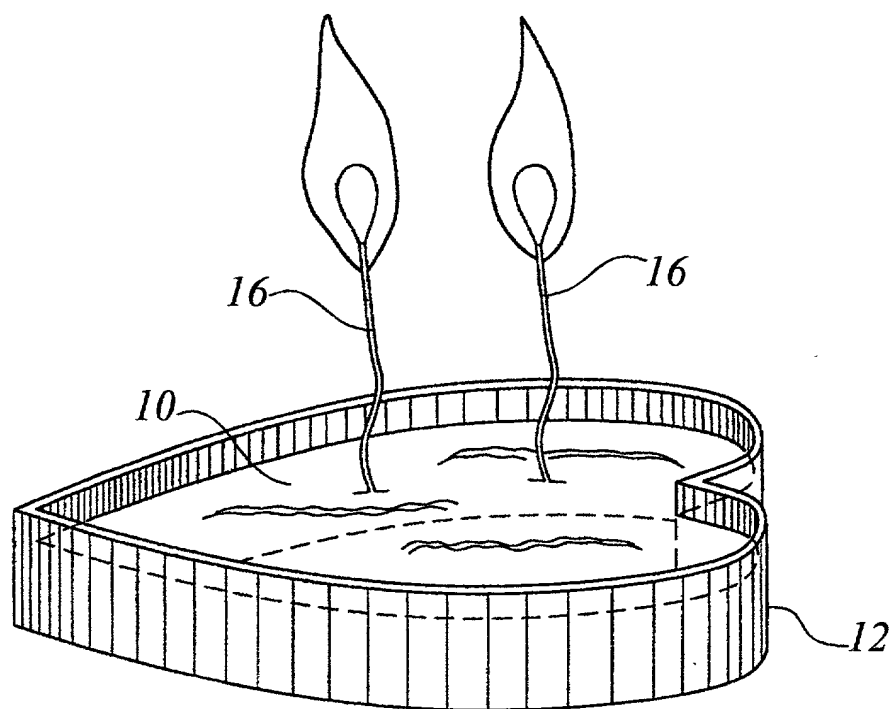

*Fig. 1*

*Fig. 2*

A diagram illustrating a scented candle system. On the left, three bottles are shown, each with a different scent: "Peach Scent", "Apple Scent", and "Pine Scent". A small rectangular block, labeled 20, is positioned between the bottles and the candle. To the right, a candle, labeled 10, is shown in a container, labeled 12. The candle has two wicks, each with a flame, labeled 16. The entire assembly is labeled 18.
